

## **Morning and Evening Summer Camps!**

**@ HARMONY HILLS CABANA CLUB!**

Here at Ideal Tennis Summer Camps we do our best at increasing your child's enjoyment and success at tennis. We use a variety of games with an emphasis on skill development and fun. We believe in Progressive Tennis which is the use of scaled equipment, and feed progression in order to speed up your child's improvement and radically increase their enjoyment while learning.

**HAVING FUN is the kid's mission! BEING SURE they do while learning is our mission!**

No experience necessary. Participants will be placed in groups by age and level.

We believe that training one day a week is good, if your goal is to expose your child to the game of tennis. However, in order to see faster progress, we recommend playing twice a week.

If a session or class is canceled due to the weather, we will make it up on Friday and/or Saturday!
